

Conditions applicable to the purchase orders, service orders and the rendering of services where Triton Schiffahrts GmbH, Hafenstrasse 6, 26789, Leer, Germany acts as agent.

1. General

- 1.1 Triton Schiffahrts GmbH, hereinafter further referred to as 'Triton', is acting in its capacity as agent to the Master and / or the Owners of the vessel(s) indicated in the purchase- and/or service order. All relevant information, documents, orders etc. will be submitted on behalf of the Master and/or Owners of the indicated vessels.
- 1.2 These conditions apply to all offers and all orders with respect to the purchase of goods (in these conditions, goods understood to also include software) by Triton and any rendering of services connected therewith by a Supplier (hereinafter further referred to as 'Supplier') to Triton, and to all pertinent agreements with Triton, given that the parties once agreed upon the inclusion of these general terms and conditions. In this agreement the term 'service' is understood to include all of the Supplier's activities in connection with the safe supply and delivery of goods and rendering of services on a worldwide basis, including insurance.
- 1.3 **The applicability of conditions of the Supplier is hereby expressly excluded. Special terms and conditions shall only be applicable if agreed upon by Triton in writing.**
- 1.4 The Master and/or Owners of the vessel(s) indicated in the purchase- and/or service order shall only be bound by and in the manner in which Triton has confirmed in writing the agreement in connection with the purchase order and/or service order and the rendering of services connected therewith.
- 1.5 The United Nations Convention on International Sale of Goods (CISG) shall not apply to purchase orders under these conditions.
- 1.6 These conditions also apply in case Triton acts not as an agent but as contracting party.

2. Price

- 2.1 The price agreed between Triton and Supplier excludes V.A.T., but includes all costs, duties and levies, adequate packing, inspections, tests, associated existing associated existing certificates and the like. The agreed price is fixed for the duration of the agreement.
- 2.2 **Sale of goods;** if the sale of goods is being qualified as a zero-rated intra-community transaction as defined in art.138.1 of the Directive 2006/112/EC, the Supplier shall state the VAT-number as indicated by Triton on the invoice and in the respective statement.
- Rendering of services;** if the 'reverse rule' as defined in art.194, 196 and/or 199 of the Directive 2006/112/EC applies on the rendering of services, the Supplier shall state the VAT-number as indicated by Triton on the invoice.

3. Inspection;

- 3.1 Triton is at all times entitled to inspect or to have inspected, to examine or to have examined and/or test or have tested all goods delivered or to be delivered and all services rendered irrespective of where these goods are located or these services are rendered.
- 3.2 The inspection, examination, testing, purchase and/or payment by or on behalf of Triton does not discharge the Supplier from any obligation and/or liability.

4. Risk and transfer of title

- 4.1 Unless agreed to the contrary, the carriage of the Goods and/or services specified in the purchase- and/or service order and services rendered hereto are for the account and risk of the Supplier until completion of delivery as defined in article 5.5.
- 4.2 The Supplier shall be obliged to take out a transport insurance that insures him adequately against all current risks of transport, irrespective of whether this carriage is effected by air, by rail, by road or via ocean or inland shipping. The Supplier must see to it that the Master and/or Owner of the vessel and Triton acting as an agent are mentioned in the policy as a co-insured. If desired by Triton, the policy shall be submitted to it beforehand for inspection and approval.
- 4.3 In case any payment has been effected on behalf of the Master and/or Owner of the vessel prior to actual delivery, ownership of the goods covered by that payment shall be considered to be transferred to the Master and/or Owner of the vessel at the moment of payment by transfer of possession of the goods. The Supplier is obliged to identify and keep identifiable these goods for the benefit of the Master and/or Owner of the vessel. The Supplier shall serve as holder or bailee to the Master and/or the Owner of the vessel in respect of the goods present at the Supplier's premises.

5. Delivery

- 5.1 Delivery shall take place 'Delivered At Place' (DAP) as per INCOTERMS latest edition (article 2.2 of these general terms and conditions are applicable to deliveries DAP).
- 5.2 The agreed time and place of delivery of goods and the (completion of) rendering of services is binding. Failure to deliver / complete in time puts the Supplier in default without further written notice.
- 5.3 The Supplier shall notify Triton timely and in a sufficient manner about the new proposed time of delivery c.q. (completion of) rendering of services in case of any threat of or failure to deliver in time.
- 5.4 Delivery of goods or (completion of) rendering of services in parts, or more than 14 days ahead the agreed time of delivery, require Triton's prior written consent.
- 5.5 The delivery is regarded to be completed only when the goods contracted for have been delivered and the services connected therewith

have been rendered and in accordance with the agreement (delivery DAP) or if otherwise agreed in writing between two parties.

- 5.6 All relevant documents such as, but not limited to certificates, inspection reports packing lists, instruction books, maintenance instructions, lists of spare parts shall be delivered together with, or prior to, the goods and/or services rendered on the agreed time as stated in art.5.2.
 - 5.7 Packing shall be in conformity with (inter) national and governmental regulations and Triton's requirements, whether or not specified in the purchase- and/or service order; lacking of which such packing (including goods) may be returned by Triton to Supplier at Supplier's risk and costs.
- 6. Invoicing**
Supplier shall make his invoice to the name of the Master and/or Owners of the motor vessel as mentioned in the purchase- and/or service order and shall send the invoice to the address of Triton acting in her capacity as agent for the Master and/or Owners. Supplier shall indicate on the invoice(s), net weight, costs of freight-insurance of any and agreed term of delivery. Unless agreed in advance and confirmed by Triton in writing, penalties, in relation to credit terms will not be accepted.

7. Payment

Payment by Triton on behalf of Master and/or Owners of the vessel will be effected after the date of delivery of the goods and/or completion of rendering services as specified in the purchase-/service order and after receipt and within 45 days after the invoice date, or as otherwise agreed between the two parties.

8. Guarantee

- 8.1 The Supplier guarantees that all goods delivered and all services rendered are of first-class design, construction, execution, material, composition and quality (e.g. wheelmark), in conformity with drawings, other data and the known standards and specifications employed by Triton, and that they are suitable for the intended use, are safe, and should be in conformity to all international rules and regulations concerning environment, safety and Asbestos and should eliminate the use of any Asbestos or hazardous chemical elements or compounds, on its own or admixed, in natural state or as produced, used or released, including release as waste, whether or not produced intentionally or placed on the market, related to any activity or treatment, or which result from such work under this Contract. This guarantee shall apply to all goods/ materials supplied and services rendered by the Supplier and, for the avoidance of doubt, by any Sub-contractor(s) or - supplier(s) and the Supplier remains under any circumstances responsible for the used Asbestos or any hazardous chemical element or compound under this Contract by its own personnel, sub-contractor or suppliers.
- 8.2 Pursuant to the guarantee, the Supplier shall be responsible for repairing defects in materials, equipment and workmanship existing at the time of Delivery and/or completion of the rendered services, provided that notice of complaint in respect of such defects is received in writing by the Supplier within 18 months after delivery of the goods and within 2 months after discovery of the defect(s) or within 12 months after the final day of work for services rendered and within two months after discovery of their shortcoming(s) by the Master or the Owner of the Vessel.
- 8.3 If the defect has led to damage to the vessel or any part thereof, the repair obligation shall extend to repair or renewal of the Vessel's part(s) that have been damaged as a consequence of the defect.
- 8.4 In cases where the Supplier is liable for defects as provided in this article 8, Triton shall, on behalf of the Master and/or Owners of the vessel, be entitled to have the work and the replacements carried out at any yard or workshop, other than the Suppliers' if, after the Suppliers' default or denial and the expiration of an appropriate time limit set, the setting of a time limit is dispensable, if it is unacceptable that the Supplier carries out the work and replacements. The Suppliers' liability in such cases shall solely be to pay directly or reimburse the actual cost incurred for such work and the replacements.
- 8.5 The Supplier shall guarantee to perform all repairs on the same basis as in this article 8.
- 8.6 Without prejudice to all rights of Triton, the Master and/or Owners of the vessel to damages by law, the Supplier is to remain responsible and liable for all costs and damages including consequential damage caused by any failure of the Supplier to fulfill its obligation adequately or in time. The Supplier is likewise responsible and liable in full for all damages caused by its personnel, or persons and companies used, or caused by the use of defective designs, materials or tools during or in connection with the execution of the agreement. The Supplier shall hold harmless and indemnify Triton and Master and/or Owners of the vessel against all claims of Third Parties resulting from any failure, damage or defect as is meant in this article.
- 8.7 Term of guarantee in the agreement with the Supplier refers to a term within which the Supplier is obliged to repair defects or redeliver at no costs, irrespective of the initial cause of the defect and without prejudice to the liability of the Supplier pursuant to the agreement.
- 8.8 The goods delivered by Supplier shall meet all the requirements of the contract, but shall be guaranteed for at least a period of 18 months after delivery and first use, if installation is necessary. Unless agreed otherwise the guarantee period of the Supplier shall last for at least 12 months from the final day of work for services rendered. In case repair of defects takes place during the guarantee period, the period shall be extended to 18 or 12 months, counting from the final date of repair.

9. Liability

- 9.1 Liquidated damages; in the event that delivery is delayed beyond the Contract period, the Suppliers accept liability for liquidated damages for each day of delay.
- 9.2 The Supplier shall be liable to the Master and/or Owner of the vessel or Triton under this contract, including but not limited to, when proven loss or damage has been caused by the negligence, gross negligence or Willful default of the Suppliers or that of those for whom they are responsible. Furthermore the Supplier shall be liable to the Master and/or Owner of the vessel or Triton and/or its employees and/or any Sub-Contractor and/or his employees and/or any third party and also all their surviving dependants for all damages of any nature whatsoever (including death and personal injury) that are caused to (any of) them by the Supplier and/or Workers in connection with the performance of the work agreed.
- 9.3 The Master and/or Owner of the vessel or Triton shall not be liable to the Supplier, to Sub-Contractors and to Workers for any damage, of any nature whatsoever, suffered in connection with the performance of the work agreed. The afore mentioned liability shall also apply if the

damage is caused by or to machines, tools or other aids that are used by the Supplier or Workers.

- 9.4 The Supplier will indemnify and hold harmless the Master and/or Owner of the vessel or Triton as regards both liability and legal costs, in the event that the aforesaid Supplier, Sub-contractors or Workers or their dependants pursue claims for death or personal injury against Triton.
- 9.5 The Supplier shall indemnify Triton against claims from third parties for compensation of damage of any nature whatsoever that has been or is caused to those third parties in connection with the performed work and for whom Triton is not responsible under this Contract. The indemnifying party shall bear the expenses of investigations and defenses of all claims against which the other party is indemnified under this clause and all lawsuits arising there from including legal costs of the indemnified party.
- 9.6 Notwithstanding the provisions as mentioned above, the Supplier shall be obliged to take out sufficient insurance that insures him adequately against liability risks as following from the agreement concluded with Triton (or otherwise agreed in writing between both parties). If Triton so desires, the insurance policy shall be submitted to Triton by the Supplier upon first written request.

10. Intellectual and industrial property

- 10.1 The Supplier warrants that (the use of) the purchased goods do not violate any intellectual or industrial property rights. The Supplier shall hold harmless and indemnify Triton and the Master and/or Owners of the vessel against claims in respect thereof by Third Parties and any costs incurred as a result of such claim.
- 10.2 Drawings, illustrations, designs, models, calculations, operating procedures, tools, software, etc. furnished by Triton or made under orders of Triton or made by or on behalf of the Supplier in connection therewith, and the intellectual and industrial property rights related thereto, belong exclusively to Triton or, if under the applicable law it must be concluded that this is not the case, these rights shall be transferred to Triton, all this irrespective of whether they have been separately charged to Triton. The Supplier shall do all that is necessary or conducive to authorize Triton as the owner of such intellectual or industrial property rights.

11. Prohibition of assignment/set off

The Supplier is prohibited from assigning his claims against Triton, the Master and/or the Owner of the vessel to Third Parties without written permission of Triton. Triton is at all times authorized to set off all that it or its affiliated companies owes to the Supplier against all that the Supplier owes or shall owe to Triton and Master and/or Owners, whether or not due, whether or not subject to conditions, and whether or not subject to a time stipulation. The Supplier is authorized to set off only with the written permission of Triton, which shall only be withheld on reasonable grounds.

12. Suspension/rescission/termination

Triton is on behalf of the Master and/or Owner of the vessel authorized to suspend their obligations pursuant to the agreement or to rescind or terminate the agreement in whole or in part by means of a written declaration and without previous notice of default, if and insofar as the Supplier does not, does not in a timely fashion, or does not adequately fulfill an obligation towards the Master and/or Owner of the vessel, as well as in case of (a request for) moratorium or bankruptcy of the Supplier, attachment, and closing down or liquidation of its business. In these cases, the Master and/or Owner of the vessel are only obliged to compensate the Supplier at the pro rata price for the goods already delivered and the services already rendered, all this without prejudice to the Master and/or Owner of the vessel right to demand delivery of the balance of goods or outstanding services or any damages to which it is entitled by virtue of clause 8.

13 Removal of (Environmental) waste

- 13.1 In case these terms apply to the rendering of services the Supplier shall be obliged to remove in a sound manner daily all waste, packing, chemical waste and the like produced by him or under his responsibility, this after consultation with Triton.
- 13.2 Chemical waste must be removed separately in a manner that fully complies with the environmental requirements and prescriptions applicable thereto according to local and international law and furthermore in agreement with internationally accepted rules of best practice. Each time when chemical waste is removed, the Supplier undertakes to make a statement in which the toxic properties of the product to be removed are indicated.
- 13.3 The extra costs incurred by the Master and/or Owner of the vessel or Triton with regard to the processing or removal of any waste as referred to in this article shall be charged to the Supplier.
- 13.4 The Supplier shall be liable for and shall indemnify the Master and/or Owner of the vessel or Triton against all damage that is suffered by the latter or by any other third party as a result of the fact that the (Chemical or other) waste as referred to in this article is not removed, not sufficiently, not properly or not in time.

14. Force Majeure

Either party shall be entitled to suspend the performance of his obligations under the contract to the extent that such performance is impeded or made unreasonably onerous by any of the following circumstances: industrial disputes and any other circumstance beyond the control of parties such as, war, extensive military mobilization, insurrection, requisition, seizure, embargo, restrictions in the use of power and defects or delays in deliveries by sub-contractors caused by any such circumstances referred to in this Clause. The party claiming to be affected by circumstances and events as mentioned above shall notify the other party in writing without delay on the intervention and on the cessation of such circumstance. Regardless of what might otherwise follow from these General Conditions, either party shall be entitled to terminate the contract by notice in writing to the other party if performance of the Contract is suspended under Clause 14 for more than six months.

15. Disputes and applicable law

- 15.1 All disputes existing between parties shall be heard by the higher regional court in Hamburg.
- 15.2 All relationships between Triton and the Supplier are subject to German law.

16. Should any part of these general terms and conditions be invalid for any reason, it is to be replaced with a corresponding text, which is valid and equivalent to the intended meaning. The rest of the general terms and conditions shall remain unaffected and valid.
